SO MUCH CHOICE...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, there are a range of additional items and options, from our specially selected kitchen worktops and cupboard doors to choose from, including adding smooth sliding wardrobes to your bedroom*.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

* Wardrobes are to selected bedrooms and subject to housetype.
Please ask a sales consultant for details.

The specification shown in this leaflet is correct at the time of going to press. Countryside Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details.
