Who are Trustgreen?

As one of the UK's market leaders in Open Space Management, Trustgreen have been appointed by **Countryside** to look after the landscape environment on this development.

Why do we need to pay Trustgreen to look after our Open Space?

As part of the Planning Application that was submitted prior to the commencement of your development, **Countryside** worked closely with the Local Authority to ensure that you were provided with valuable amenity land to enjoy together with your new home. During this process Trustgreen were appointed as the management company responsible for providing this service for perpetuity.

Will my Annual Management Fee increase yearly?

The Annual Management Fee is linked to the RPI index meaning it may increase if required in line with inflation.

What is the Annual Management Fee?

When you purchased your property the sales team will have informed you of the Management Fee and that you would be responsible for paying your equal share.

The Annual Management Fee is based on the yearly costs required to maintain your development divided by the number of plots. A full breakdown of these costs are identified within our Fee Matrix detailing how the individual activities have been allocated.

Can I see a breakdown of how my money will be spent?

Our Fee Matrix is based on the budget for the management and maintenance of the amenity land for the next 12 months. At the end of the first year we will be able to provide you with a set of abbreviated accounts confirming the monies spent.
